

## ARTENOM SELECCIÓN DE 1146 TEQUILA AÑEJO

SKU: LITANSA

ArteNOM Selección de 1146 Tequila Añejo has been made using select tequilas that have initially been aged in Cabernet Franc wine barrels from the Loire Valley, France, for a minimum of 14 months. The tequila is then extracted from the French oak and laid into toasted American white oak previously used to age either Canadian or Tennessee rye whiskey, for a minimum of another 14 months.
