

GOLDTOOTH VERMUT BLANCO LIMITED EDITION SPRING EXPRESSION

SKU: VAGVB

Introducing Goldtooth - from the magic of the plant realm, island rituals & hedonism. Created by herbalist and co-founder Veenus Vortex, Goldtooth is Spain's own aperitivo vermut with a contemporary twist. Slowly infused with herbs foraged and farmed locally in Ibiza, Veenus has taken a tradition going back years and brought it forward into contemporary culture. All natural with no E numbers its best enjoyed neat over ice or with a wedge of lemon and some tonic or soda water for a refreshing spritz. Goldtooth brings hedonism for the conscientious consumer. Regenerative, sustainable: Earth conscious. Indulge yourself in the energy of the divine botanicals that grow wildly over the coastal islands of the Mediterranean and let the ritual find you. Goldtooth Blanco is made with the abundant flowers that spring up in Ibiza during the wetter months of January and February. Produced in small batches its flavour has a lighter profile of orange, jasmine and dandelion blossoms and stable base notes of lemon verbena, lemon balm and wormwood. 15% ABV and a 4.5 week production process. Serve over ice or with a wedge of lemon and some tonic or soda water for a refreshing spritz.
