

BAROLO CERRETTA GIACOMO CONTERNO

SKU: ITBCGC12

One of the greatest red wine estates of Piemonte, and therefore Italy Giacomo Conterno flies the flag for traditionally made, long lived expressions of Nebbiolo, with long fermentations and extended ageing in large old oak barrels. Cerretta is a single vineyard in Serralunga acquired in 2008. This is starting to drink well, but will age for a couple more decades

“A wealth of cherry flavor is surrounded by cut grass, tar, tobacco and iron notes in this complex, intense red. There's plenty of tension, with a long aftertaste of licorice, tar and mineral. Balanced yet austere, this needs time to integrate fully” 96/100, 2017 Wine Spectator
