

CHÂTEAU MARQUIS DE MONS MARGAUX

SKU: FRCHMM

The origins of the château date back to the 13th century . Amongst its illustrious owners was Pierre de Mons, who acquired the property in 1623 and gave it his name. Château Marquis de Mons is a single block vineyard, surrounded by a wall and located in the northern part of the Margaux appellation near the banks of the Garonne, as are all the very best Médoc Crus.

Since the 1990's, a major renovation programme have been implemented by the new owners: construction of a new winery and an air-conditioned storage cellar, major drainage programme and management of the vineyard in the interests of sustainable ecological practices.
