

PIAN DELLE VIGNE BRUNELLO DI MONTALCINO

SKU: ITPDVBM

The Pian delle Vigne estate, located four miles south of the town of Montalcino above the Orcia river valley, has belonged to the Antinori family since 1995. It takes its name from a typical 19th-century railroad station situated within the estate and still in use.

Pian delle Vigne has adopted the philosophy of aging in large casks that preserve the exceptional integrity of the Sangiovese grape and impart the characteristic vibrant elegance of Brunello to the wine.

This complex expression of Brunello di Montalcino has aromas and flavours of maraschino cherry and plum fruit, overlaid with violet florals, cocoa spice and dried oregano and marjoram.
