

ANDRE GOICHOT MONTAGNY BLANC HALF

SKU: FRMAGMB375

Maison André Goichot is a family-owned Burgundy house based in Beaune, specialising in producing terroir-driven wines across the Côte d'Or and Côte Chalonnaise. The fruit for this Montagny Blanc comes from hillside vineyards with clay-limestone soils, favouring freshness and mineral tension in the finished wine. Fermentation occurs in temperature-controlled stainless steel tanks to preserve the purity of the fruit, followed by a short period of ageing on fine lees to enhance mouthfeel and aromatic detail. A small proportion may be aged in oak to add texture, though oak remains discreet.
