

J. MOREAU RED

SKU: FRJMR

J. Moreau & Fils developed an international reputation thanks to its wines from Chablis, and then decided to use its expertise to develop a prestige table wine range from outside the region. Distinctively packaged in the traditional Moreau style, the wines provide the guarantee of quality and excellent value for money.

The grapes come from the South of France and the Rhône Valley. These two regions are ideal to grow grapes of richness and perfect ripeness.

A cool fermentation occurs in stainless steel tanks (at 18°C) to retain freshness and the wine is carefully blended to ensure consistency. The cuvée then rests for six months before bottling.
