

J. MOREAU WHITE

SKU: FRJMW

J. Moreau & Fils developed an international reputation thanks to its wines from Chablis, and then decided to use its expertise to develop a prestige table wine range from outside the region. Distinctively packaged in the traditional Moreau style, the wines provide the guarantee of quality and excellent value for money.

Grapes come from the South of France and the Loire Valley. These two regions combine to provide a perfect combination of richness and elegance.

A cool fermentation occurs in stainless steel tanks (at 18°C) to retain freshness and the wine is carefully blended to ensure consistency. The cuvée then rests for six months before bottling.
