

DOMAINE DE CHEVALIER BLANC 2016

SKU: FRDDCB16

James Suckling scored 98 points: “Delicate and gentle on the nose, the candied citrus, fresh melon, pear, and quince notes come through on the palate, together with discreet, toasty oak. Although this is really concentrated, the power is underplayed and the enormous, herbal, and mineral depth steals up on you slowly and then whisks you away. You could enjoy it now, but there’s enormous aging potential.”
