

ENGLISH WHISKY CO. THE ENGLISH SMALL BATCH LEST WE FORGET MALT WHISKY

SKU: MWESBL

Based out of the first new distillery in England for over a century, the English Whisky Co. has captured the attention of whisky lovers worldwide with its wide range of single malts proudly distilled in Norfolk, as well as the delicious 'The Norfolk' range of liqueurs. Its current core whisky range includes, unusually for English whisky, a peated single malt, as well as more classically styled sherry- and bourbon-matured bottles. The Small Batch Lest We Forget malt whisky is a limited-release expression, bottled once a year for Remembrance Day.
