

LE PETIT MOUTON DE MOUTON ROTHSCHILD 2015

SKU: FRCMRPM15

Château Mouton Rothschild needs little introduction, a First Growth since 1973 and long revered for its artistry both in and beyond the bottle. But Le Petit Mouton, introduced in 1993, has matured into something more than a mere junior sibling. Sourced from the younger vines of the estate's best parcels in Pauillac and made by the same winemaking team, it reflects the same level of detail and ambition, with greater accessibility in youth.

The 2015 vintage was characterised by a warm, dry summer and an ideal harvest window, enabling Cabernet Sauvignon to ripen thoroughly without compromising freshness. The blend consists of approximately 82% Cabernet Sauvignon, 16% Merlot, and 2% Cabernet Franc (exact proportions may vary slightly), aged in new French oak for approximately 18 months. While more forward than the Grand Vin, Le Petit Mouton benefits from the same rigorous sorting and winemaking protocol, resulting in a wine of real depth and longevity.
