

JIM BEAM BLACK 6YR 43%

SKU: AWJBB

Jim Beam is one of Kentucky's leading bourbon distilleries, bottling whiskies under the Booker's and Basil Hayden brands as well as its own iconic label. Present in bars worldwide, Jim Beam has become a reference for bourbon whiskey due to its smoothness, slight sweetness and vanilla finish. The current master distiller, Fred Noe, is a descendant of the distillery's original eighteenth-century founder.
