

GIN 1689 THE QUEEN MARY EDITION

SKU: GI1689QM

Gin 1689 Queen Mary Pink Gin is an authentic recreation of the original 350 year old recipe which then recommended drinking gin with crushed strawberries and raspberries. These two fruits give the gin its natural pink colour.

Tasting Notes: Gin 1689 beautifully combines juniper with dried quince, pippin (apple), lemon and orange peel, nutmeg, aniseed and clove. A complex, yet soft and fruity taste.
