

BRAMLEY & GAGE ELDERFLOWER 18%

SKU: LIBGE

Bramley & Gage began in 1988 when Edward Bramley Kain and Penelope Gage started crafting liqueurs on their fruit farm in South Devon. Combining decades of fruit-growing experience, they produce all products using local, whole fruits to preserve natural flavour. The company later relocated to Thornbury, near Bristol, Gloucestershire, where traditional small-batch production continues. Known for award-winning fruit liqueurs and Six O'clock Gin, Bramley & Gage blends heritage with meticulous craftsmanship to create distinct artisan spirits.
