SKU: MWEC14

The English Whisky Chapter 14 is an unpeated single malt whisky crafted by The English Whisky Co. at St George's Distillery in Norfolk, England – the first dedicated English single malt whisky distillery in over a century, established in 2006 by Andrew Nelstrop. Officially opened in 2007 by King Charles III (then HRH The Prince of Wales), the distillery remains family-owned and rooted in sustainability and traditional methods, drawing on Norfolk's pure, mineral-rich water and fertile barley-growing soil.
