

## THE ENGLISH WHISKY SINGLE CASK RELEASE 1ST FILL AMERICAN OAK 10YR

SKU: MWESCRFF

The English Whisky Co. Single Cask Release 10-Year-Old is an unpeated English single malt whisky distilled at St George's Distillery in Norfolk, the first purpose-built English whisky distillery in over a century. Established in 2006 by the Nelstrop family and officially opened in 2007 by King Charles III (then HRH The Prince of Wales), the distillery has become a benchmark for English whisky craftsmanship. This limited single cask edition was matured for a full decade in a first-fill American oak barrel, showcasing the depth and character possible from long ageing in quality wood.
