

BEEFEATER GIN

SKU: GIBEE

A home-grown success and back bar staple for over 100 years, Beefeater London Dry is a benchmark gin seen all around the world. The recipe of nine botanicals foregrounds powerful juniper and the aromatic peels of lemon and Seville orange, with traditional bittering herbs binding it together. Fresh and versatile, it is a great gin to play with in classic cocktail recipes like the Negroni and its many variations.
