

## DORCHA ROSE PETNAT

SKU: SLIVDRPN

From the sun-soaked slopes of Ritoznoj in Slovenia's Štajerska region comes this radiant Pét-Nat rosé, crafted entirely from Blaufränkisch. Grown on marl-rich soils at 370 metres, the vines thrive in a continental climate, producing fruit with vibrancy and depth. Winemaker Izidor Vehovar—at the helm of Dorcha—brings a fresh perspective to his family's legacy, leaning into sustainable farming, native yeasts, and minimal intervention to let the land speak through the wine.
