

FAMILLE LIEUBEAU MUSCADET SEVRE ET MAINE BEL ABORD

SKU: FRFLMMBA

One of their standout wines, Bel Abord, comes from a single organic plot perched above the river Maine. Facing east and rooted in sandy gneiss, the 40-year-old Melon de Bourgogne vines benefit from Atlantic breezes and excellent sun exposure, producing fruit with bright acidity and minerality. Hand-harvested grapes are gently pressed, and the wine is aged for up to 12 months on lees in underground vats, with bâtonnage to build texture and depth.
