

DAVINO VAST WHITE

SKU: RODVW23

Davino is one of Romania's top estates in the premium region of Dealu Mare, an appellation that stands at the foothills of the Carpathian Mountains. Owner Dan Balaban began as a wine distributor before founding the 3rd private winery of the new era in Romania in 1997. He focused on the highest quality from the beginning, bringing in a French-trained winemaker, Bogdan Costachescu, who later became a partner in the business.
