

LOS LOCOS BLANCO TEQUILA

SKU: LITLLB

Inspired by the vibrant culture and traditions of Mexico, Los Locos tequilas are proudly distilled from 100% blue agave from Jalisco by Destiladora del Valle de Tequila. After the ripe agaves are harvested, they are cooked – both in innovative autoclaves and in traditional 'hornos' (ovens) – before being processed through milling, fermentation, and distillation. A longer fermentation time than other comparable tequilas yields vibrant, fruity, and agave-forward aromas.
