

WITCHMARK LONDON DRY GIN

SKU: GIWMLD

Tucked away in the heart of Wiltshire's Fonthill Estate, Witchmark Distillery brings together heritage, craftsmanship, and a deep sense of place. Its name draws inspiration from the ancient “witch marks” etched into local stone buildings, symbols of protection and mystery that echo through the ages. Housed in a beautifully restored Grade II-listed barn, the distillery seamlessly merges tradition with contemporary spirit-making.
