

DOMAINE DE LA ROMANÉE CONTI RICHEBOURG 2006

SKU: SSDRCR2006

One of the most prestigious names in Burgundy, Domaine de la Romanée Conti produces some of the world's most collectable and sought-after wines. The Richebourg Grand Cru vineyard is among the estate's crown jewels, with 1.06 hectares of old Pinot Noir vines planted on iron-rich clay-limestone soils in Vosne Romanée. These soils bring both structure and finesse, shaping a wine that is renowned for its depth, longevity, and expressive character. The 2006 vintage is a clear demonstration of the domaine's precision and poise, even in a year marked by climatic challenges.
