

MAR DE ENVERO VOLANDIA MENCÍA, RIBERA SACRA

SKU: SWMDEVN

Mar de Envero was founded in 2007 by vigneron Manyo Moreira, who had worked on various projects in different Spanish appellations but returned home to the cool Atlantic coastal climes of Galicia, in the Rosal subregion. Once the winery was established in Rías Baixas, he took the leap and started a new project in another Galician Appellation, the Ribeira Sacra, of inland Galicia.
