

INCHDAIRNIE KINGGLASSIE DOUBLE MATURED 2017 8YR

SKU: MWINKG8

InchDairnie Distillery was founded in 2015 by Ian Palmer on the site of an old mill near Glenrothes in Fife, Scotland. Designed with precision distilling at its core, it utilises advanced equipment, including a Lomond still, a mash filter, a hammer mill, and outdoor fermentation, to explore a diverse range of grain types, yeasts, and seasonal flavours. The distillery initially produced a rye whisky, RyeLaw, which launched in 2023, and has since expanded its capacity, with plans to double output while transitioning to green hydrogen power.
