

HALF HITCH GIN

SKU: GIHH

An exquisitely exotic-tasting yet quintessentially British Gin. Key botanicals of bergamont, black tea, petter, hay and english wood.

An uplifting, aromatic nose with hints of light citrus, followed by a spicy underpinning of fresh cracked pepper and cool juniper. Finished with smooth , rich black tea and touches of wooden spice.

Awards: Gold: The Gin Masters (The Spirits Business) - Super Premium - 2015
