

HMS VICTORY NAVY STRENGTH GIN

SKU: GIHMSV

In partnership with the National Museum of the Royal Navy, Victory is a smooth yet commanding Navy strength gin with big hits of pepper & oak from grains of paradise & citrus undertones attributed to lemon zest.

Inspired by the Royal Navy's most illustrious warship, HMS Victory, our infusion of carefully selected botanicals recreate the style of gin drunk by Naval Officers during the Battle of Trafalgar.

With a portion of the profits funding the ongoing restoration project of HMS Victory this is a testament to the story of 'Navy Strength' and the heroes who used to enjoy a well deserved tippie, we'll drink to that!

Enjoy Victory with ice cold tonic, slices of pink grapefruit & plenty of ice!
