

MASON'S DRY YORKSHIRE GIN

SKU: GIMY

Masons Yorkshire Gin was created by Karl & Cathy Mason, gin enthusiasts without any prior knowledge of the industry who set out to produce a drink that stood out from the crowd – a unique gin with more character and more taste – not just a different label. The Original is no ordinary gin. Loved by long term fans and new customers alike, this remains Masons best-selling product.

Tasting Notes: Soft juniper, lime and orange rind flavours lead to a peppery finish with a subtle fennel fragrance on the nose; whilst on the palate there's a ripe and sweet aniseed start, with bold citrus flavours, plenty of cardamom & green apple blending into a warm, mouth-watering finish.
