

## OPIHR ORIENTAL SPICED GIN

SKU: GIOP

Opihr – pronounced {O-peer} is a legendary region famed for its wealth and riches which prospered during the reign of King Solomon. The King regularly received cargoes of gold, silver and spices from Opihr and whilst its exact location remains a mystery, it is thought to have been in the Orient, along the Ancient Spice Route.

The botanicals in Opihr Gin make the journey to their final destination, the oldest distillery in England, where quality gin has been traditionally distilled using the same London Dry Gin method since 1761.

The Master Distiller then infuses the botanicals in high quality spirit in copper pot stills, using over 250 years of tradition and expertise, to create a unique spiced gin.
