The first of the series, released in 2015. Silent Pool Gin captures the very essence of the Silent Pool and the surrounding Surrey Hills, an area of outstanding natural beauty, where the distillery is based. The location of their distillery is full of ingredients their expert Distillers used in the intricate recipe development process, allowing them to sustainably source the signature botanicals in their luxury English Gin. From Chamomile and Elderflower that grows in abundance around the Silent Pool to the roses and lavender that line the local village, Albury.
