

TANQUERAY LOVAGE GIN

SKU: GITANL

Charles Tanqueray meticulously documented his ideas and discoveries over the course of his life.

Fuelled by a relentless pursuit of perfection, he gathered inspiration everywhere – from the exotic Eastern spices unloading on the docklands of London to his journeys to the far corners of Europe.

At times, however, inspiration would come from a source closer to home. In his notes from 1839 we find 'Lovage' – a recipe showcasing a balanced and savoury flavour derived from the finest local English ingredients.

Tasting Notes: Tanqueray Lovage's perennial bloom and deeply aromatic flavours make for a distinctively savoury taste, tingling with a herbaceous heart.
