

JACK DANIEL'S TENNESSEE STRAIGHT RYE

SKU: AWJDRIYE

Jack Daniels Tennessee Straight Rye is a whiskey that could only originate from Lynchburg, Tennessee, thanks to a 70 percent rye grain bill, natural spring water from their own Cave Spring Hollow, and Jack's time-honored charcoal mellowing method. The Jack Daniel Distillery's Master Distiller Jeff Arnett and the whiskey manufacturers have crafted a unique rye that is unquestionably peppery and complex while sipping smooth. It may be one of our only new recipes in nearly 150 years, but Jack Daniel's Tennessee Rye is a household name.
