

JACK DANIEL'S SINGLE BARREL SELECT

SKU: AWJDSB

Each barrel is hand-selected for its one-of-a-kind flavour, robust taste, and notes of toasted oak, vanilla, and caramel. It's not easy making a whiskey like Single Barrel. Single Barrel Select Tennessee Whiskey, which is bottled at 94 proof, blends delicate hints of caramel and spice with vibrant fruit notes and sweet aromatics to create a Tennessee Whiskey with a distinctive flavour. In 2020, Jack Daniel's welcomed a new Master Distiller, Chris Fletcher takes over to lead Mr. Jack's whiskey and heritage into the future.
